# Roswell

Roswell is a city in, and the seat of, Chaves County in the U.S. state of New Mexico. Chaves County forms the entirety of the Roswell micropolitan area. As of the 2020 census it had a population of 48,422, making it the fifth-largest city in New Mexico. The city is also the location of an Eastern New Mexico University campus. Roswell's tourism industry is based on aerospace engineering and ufology museums and businesses, as well as alien-themed and spacecraft-themed iconography.

Since the first UFO sighting in the 1940s, Roswell has gained national recognition for being a place where interesting things happen. It's true - they have some of the best festivals in the world, outdoor recreation fit for adrenaline junky, and offer the opportunity to ski in the morning and golf in the afternoon. Chaves County is also known for having small-town values, for being a place where neighbors wave and people are genuinely friendly.

Finally, Roswell is home to the NM Military Institute. It is a State-Supported Military Institute founded in 1891 with about 1,000 Cadets. New Mexico Military Institute is a globally recognized, secondary and post-secondary learning institution for young men and women that instills excellence in leadership, academics, and physical development within a structured environment empowering students to thrive in a dynamic world.
